National Association of Social Workers (1987-present)

RECENT EMPLOYMENT

Center for Integrative Psychotherapy/Center for Healing & Transformation, Latham, NY
(2004-present)

Founder and Director

- Provide training for professionals and education for the public through the delivery of educational tools, workshops and events on topics related to healing the mind, body and spirit.
- Sponsor and manage speakers and events geared toward educating professionals and the general public in healing and energy work.
- Train clinicians and public (at basic level) to use Energy Psychology (EP) methods.
- Facilitate ongoing consultation/supervision group to support incorporating EP methods into clinical practice.
- Present and teach at conferences nationally and internationally on using energy therapies for trauma.

Of note: Have trained hundreds of clinicians in EP methods. Developed one-day training and eight-week online course on using energy therapies for multiply traumatized patients. Collaborated with Siena College to bring internationally known speakers to the Capital Region.

Private Practice, Latham, NY (2000-present)

Clinical Social Worker

Caseload includes patients with a variety of clinical issues. Specialize in the area of EP — using the energy systems of the body to process traumatic events, reduce stress, and reprogram negative childhood beliefs.

Transformational Healers Program, Denver, CO (2009-present)

Program Director

- Provide strategic vision and operational management for Her Holiness Sai Maa's Transformational Healers Program.
- Travel internationally with Sai Maa and teach on the spiritual and energetic dimensions of health and healing.
- Lead monthly conference calls in four languages for hundreds of healers around the world to support them in their work.

Of note: Developed and now oversee multi-year, certified internship program for healers working in diverse medical or healing modalities (MDs, RNs, LCSWs, PhDs, LMTs, etc.) who wish to study intensely with Sai Maa. Currently clinically supervise three levels of internship students totaling over 100 students from 9 countries in three languages.

Siena College, Loudonville, NY (2001-2004)

Adjunct Professor, Department of Social Work

Taught Interpersonal Communications for the Social Work Department. Supervised field placement for students as needed.

Community Health Plan/Kaiser Permanente/Community Care Physicians, Latham, NY (1991-2000)

Clinical Social Worker

Provided individual and group therapy for patients served by a health maintenance organization. Carried a clinical caseload of 30 individual patients per week and two therapy groups. Specialized in treatment of post-traumatic stress disorder (PTSD) and Dissociative Disorders. Facilitated a therapy group for patients diagnosed with Borderline Personality Disorder.
